

ITC/USA AWARDS 2013

2013 Best Conference Paper Award

“Does a Spinning Missile Cause Tracking Error at C-Band?”

*Darren Kartchner and Michael Rice are presented award by Les Bordelon, IFT Board President.
Brigham Young University*

2013 Lawrence Rauch Award for Standards

Sponsored by TSCC

“PCM Telemetry Downlink for IRIG 106 Chapter 10 Data.”

NO PICTURE AVAILABLE AT THIS TIME

*Johnny Pappas, Zodiac Data Systems;
Balázs Bagó, Zodiac Data Systems GmbH;
Nikki Cranley and Gabriel Poisson, Zodiac Data Systems SAS*

ITC/USA AWARDS 2013

2013 Myron Hiram Nichols Award for Telemetry Spectrum Sponsored by ICTS

"C-Band Missile Telemetry Test Project"

*Scott Kujiraoka NAVAIR (Pt. Mugu) is presented award by Mikel Ryan, ICTS
Co-author Russell Fielder, NAVAIR China Lake, is not pictured*

2013 First Place Graduate Student Paper

"Synchronization of SOQPSK-TG in Burst-Mode Transmissions"

*Ehsan Hosseini is presented award by Cliff Aggen, ITC Student Paper Chair
University of Kansas, Department of Electrical Engineering and Computer Science,
Faculty Advisor: Erik Perrins*

2013 Second Place Graduate Student Paper

"Direction of Arrival Estimation Improvement for Closely Spaced Electrically Small Antenna Array"

*Xianaju Yu with advisor Hao Xin is presented award by Cliff Aggen
University of Arizona, Department of Electrical Engineering and Computer Science*

2013 First Place Undergraduate Student Paper Award

"Machine Vision and Autonomous Integration Into an Unmanned Aircraft System"

*Chris Van Horne with advisors James Dianics and Michael Marcellin is presented award by Cliff Aggen
University of Arizona, Department of Computer Science,
Not Pictured Faculty Advisors: Hermann Fasel*

2013 Second Place Undergraduate Student Paper

“Design and Development of a Digital Signal Processing System that Responds Automatically to an Audio Trigger Event”

Rudy Chavez, Frank Faela, Adrian Ontiverus, Mathew Smith and Mathew Wallace, with faculty advisor Deva Borah are presented award by Cliff Aggen

New Mexico State University, Klipsch School of Electrical and Computer Engineering

Congratulations!
