

International Telemetering Conference (ITC) 2026
"Accelerating Defense Readiness Through Intelligent Telemetry"

CEU REGISTRATION USER GUIDE

Step 1: BEGIN THE PROCESS

To register scan link or barcode below:

LINK: https://reg.learningstream.com/reg/event_page.aspx?ek=0056-0014-6a5ab61bc58244cd849c9fc1525b1e67

OR

Step 2: CLICK REGISTER NOW

Click on the "Register Now" Orange Button.

Step 3: CREATE AN ACCOUNT (If applicable)

(A) First time users must create an account by clicking "Create an Account and Register."

or

(B) If you already have an account, you can enter your email address and password and click on "Login and Register" to make changes to your account.

Step 4: REGISTRANT INFORMATION

All fields in red boxes are required

Fill in all red fields and make sure you enter a working email address (Not a Login ID). This email address will be used to access your account and to receive your certificate at the end of the Conference.

If you will like to select your course attendance later, Click "Submit Registration." You can login again by clicking the link or scan barcode and follow step 3(B).

All questions marked by an asterisk are required

Registration Requirements
Password must be an alphanumeric combination.
Password may not contain the word "Password".
Password may not be the same as the Login ID.
Outlines cannot be used in your password.
Password must contain at least 1 letter and 1 number.

Step 5: SELECT COURSE

Select course(s) attended

Make sure you select all the course(s) you attended and click "Submit Registration."

SELECT YOUR WORKSHOPS

FULL-DAY SHORT COURSES ON MONDAY, OCTOBER 24, 2022 9 am to 5 pm

- 10/24/22 9:00am - 5:00pm: ☐ Advanced Modulation And Demodulation Techniques
☐ Basic Signals and Modulation
☐ Basics of Aircraft Instrumentation
☐ Fundamentals of Microwaves and RF
☐ IJNET Telemetric Networks
☐ Introduction to Analyzing Ethernet Data
☐ IRIIG 106-17 Chapter 7 Packet Telemetry Downlink Basis and Implementation Fundamentals
☐ IRIIG Chapter 10/11 Digital Recording Standards
☐ Introduction To Satellite Communications
☐ Telemetry Over IP

(Click here to clear selection for question above)

HALF-DAY SHORT COURSE ON MONDAY, OCTOBER 24, 2022 1 pm to 5 pm

- 10/24/22 1:00pm - 5:00pm: ☐ A Basic Overview of Telemetry

(Click here to clear selection for question above)

HALF-DAY SHORT COURSES ON THURSDAY, OCTOBER 27, 2022 1 pm to 5 pm

- 10/27/22 1:00pm - 5:00pm: ☐ Basic Signals and Modulation
☐ Digital Signal Processing to Improve TM Links
☐ Fundamentals of Aeronautical Ground Telemetry Systems
☐ Introduction to Analyzing Ethernet Data
☐ Intro to Machine Learning and Data Analytics Applications using Python Programming
☐ Phased Array Systems for TM Applications
☐ Introduction to Satellite Communications
☐ Telemetry Over IP
☐ Sensors-Principles of Digital Acquisition Systems

(Click here to clear selection for question above)

Submit Registration

You can continuously login during the Conference to make changes and select course(s) attended. To login again, click on the link provided or scan the barcode and enter your login information (STEP 3B).

Make sure you select all the course(s) you attended and click "Save Changes."

Save Changes

Step 6: Registration Complete

DO NOT PRESS THE BACK BUTTON TO ADD ADDITIONAL REGISTRANTS.

Registration Complete
Your registration for International Telemetering Conference (ITC) 2026 has been confirmed.

Within 0-15 mins you will receive a confirmation email (this is the email address you used in creating your account)

Subject: CEUs for International Telemetering Conference (ITC) 2026

Message:

Name: Reggie Seinup

Event: International Telemetering Conference (ITC) 2026

On: 9/28/2026

Dear Reggie Seinup,

Welcome! Thank you for attending the International Telemetering Conference (ITC) 2026 titled 'Accelerating Defense Readiness Through Intelligent Telemetry.' The Center for Continuing and Professional Studies (CCPS) at Morgan State University partnered with International Foundation for Telemetering (IFT) in providing Continuing Education Units (CEUs) for the ITC 2026 in Glendale, Arizona.

After your attendance is certified, you will automatically receive an email with the Evaluation link. You must first complete and submit the Evaluation. You will then receive another email to print your certificate.

Thank you for registering for the International Telemetering Conference (ITC) 2026.

Morgan State University Center for Continuing and Professional Studies

***Note: Conference CEU registration ends 11/6/2026 at 11:59pm.** Make sure you save all changes before this deadline. After your attendance is certified by Center for Continuing and Professional Studies (CCPS) Morgan State University, you will receive an email with the Evaluation link when it becomes available. **You must first complete and submit the Evaluation.** After your evaluation is recorded, you will then receive another email to print your certificate.
